

City of North Ridgeville Parks and Recreation Department  
Kevin M. Fougrousse, Parks & Recreation Director

November 30, 2020

**COVID-19 SAFETY UPDATE & CANCELLATIONS**

With the recent news that Lorain County has entered Level 4 (Severe Exposure & Spread) the North Ridgeville Parks and Recreation Department is taking the following precautions regarding our programs.

**Jr. Ranger Youth Basketball Program: Boys 3<sup>rd</sup>-8<sup>th</sup> Grade**

- Practices are suspended through December 13. If Lorain County is no longer at Level 4 (Severe Exposure & Spread) practices will re-start the week of December 14.
- Games will be cancelled through December with regular season starting January 9.

**Youth Programs:**

- All youth programs are cancelled through December.

**Fitness Programs:**

- All group fitness programs (Zumba, Mama Bootcamp, Yoga, etc.) are cancelled through December.

While we realize that this will create inconveniences and disappointment for some, our team wants to keep our participants safe and help decrease the COVID-19 surge we are experiencing in Lorain County. We are in this together, be well and wear a mask.

Best,

***Kevin M. Fougrousse***
