

2019 NRPRD COACH PITCH LEAGUE RULES (COED)

55' Baseline

Pitching Distance: 35'

Before becoming involved in the specific rules, we believe it is important to understand the basic aim of this program. The real purpose is to instruct the youngsters in the fundamentals of baseball, and anything that does not follow this aim is in opposition to our philosophy. We have made a provision for two adults to be on the field to assist these young ball players, and we believe that any advice from others, other than genuine encouragement, will serve only to confuse these children and thus do more harm than good.
