The splash pad is up and running and we added another coat of paint to the pad. Still waiting on the ABI Force to be delivered by Baker Vehicle. The staff is cutting grass.

OLD BUSINESS:

No old business.

NEW BUSINESS:

Parks and Recreation Director Kevin Fougrousse discussed that we are getting new park signage as part of the new city brand. Our Parks & Recreation Master Plan discussed how our parks shouldn't be sport specific and this is the time we can look at the Soccer Complex for a potential name change. We want it to be more associated with a park and not a complex. The community views it as a soccer complex and not a park. Shady Drive Complex fits the complex name because of the indoor facilities, pavilions, etc. With the commissions approval/vote we would like to put a survey out to the public with the options being: no change required (1), Root Road Park(2), or Other (3) regarding the Soccer Complex potential name change.

Parks & Recreation Commission
MINUTES OF REGULAR MEETING: MAY 24, 2023

NEW BUSINESS CONTINUED:

Vice-Chairman Roach asked do we have to put this out to the public. We discussed that it is appropriate to have the communities' input on this and not treat this as a commission decision. We want to be transparent. Our goal is to have this out next week and see what the community wants. Councilman Boose mentioned that he is all in favor of making our parks feel all inclusive and not be sport specific. Making it a park goes a long way and adding additional amenities helps. Jill Timoteo asked if there has been any discussion regarding naming rights. Director Fougrousse mentioned that we have not engaged with businesses to sell naming rights. We want it to feel like a community park and not after a corporate entity.

A motion was made by Hayes, 2nd by Boose to send out a survey regarding a potential name change of the Soccer Complex.
